DR. J. H. ADAMS'S CHERRY PECTORAL

For the Cure of
**COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.**

Of all the numerous medicines extant, (and
some of them valuable) for the cure of pulmo-
nary complaints, nothing has ever been found
which by its prompt action, effects with this
Preparation. Others cure sometimes, but at all
times and in all diseases of the lungs and throat
where medicine can give relief, this will do it.
It is pleasant to take, and perfectly safe in ac-
cordance with the directions. We do not at all
advertise for the information of those who have
tried it but those who have not. Families that
have known its value will not be without it,
and by its timely use, they are secure from the
dangerous consequences of Coughs and Colds
which neglected, ripen into fatal consumption.
The Diploma of the Massachusetts Institute
was awarded to this preparation by the Board of
Judges in September 1847; also, the Medal of
the three great Institutes of Art, in this coun-
try; also the Diploma of the Ohio Institute at
Cincinnati, has been given to the CHERRY PECTORAL,
for their Government in consideration of its
extraordinary excellence and usefulness in
curing affections of the Lungs and Throat.
Read the following opinion, founded on the
long experience of the eminent Physician of the
Port and city of
Dr. J. C. Ayer, ST. JOHNS, May 8, 1851.
Five years trial of your CHERRY PECTORAL, in
my practice, has proven what I formerly from its
composition, must be true, that it eradicates and
cures the colds and coughs to which we in this
section, are peculiarly liable.
I think the equal has not yet been discovered,
nor do I know how a better remedy can be made
for the dyspnoea of the Throat and Lungs.
I finally settled for your Cherry Pectoral, and
cures the colds and coughs to which we in this
section, are peculiarly liable.
See what it has done on a wasted constitution,
not only in the following cases, but a thousand
more:
Dr. Ayer, in the month of July last I was
attacked by violent dyspnoea of the lungs, and
Cough. I returned to San Francisco in hope
of receiving benefit from a change of cli-
mate and diet. My dyspnoea ceased, but was
followed by a severe cough—and much soreness
of the throat, but not relieved by any of the
remedies used. My cough continued to
grow worse, and when I arrived in New York,
I was at once marked by my acquaintances as a
victim of consumption. I must confess that I
was not sufficient reason to doubt what my
friends said. At this time I commenced
your truly invaluable medicine with the
expectation of deriving any benefit from its
use. You would not receive these lines did I
not regard it my duty to state to the afflicted,
through your kind health, the place of
eight months, is fully restored. I attribute it
to the use of your CHERRY PECTORAL.
Yours truly, WILLIAM W. SMITH.

WASHINGTON, Pa., April 19, 1848.
Dear Sir: Feeling that I have been spared
from a premature grave, through your in-
strumentality by the provisions of God, I will
take the liberty to express to you my gratitude.
A cough and the alarming symptoms of Con-
sumption had reduced me too low to leave me
anything like hope, when my physician brought
me a bottle of your "Pectoral." It seemed to
afford immediate relief, and now in a few weeks
time has restored me to sound health.
If it will do for others what it has for me, you
are certainly one of the benefactors of mankind.
Sincerely wishing you every blessing, I am,
Very respectfully yours,
J. J. CLARKE, Rector of St. Peter's Church.
With such assurance and from such men, no
stronger proof can be adduced unless it be from
its effects upon trial.

AFFLICTED READ!!!
PHILADELPHIA
MEDICAL HOUSE.
Established 18 years ago, by Dr. Kinkelin, N. W.
corner of Third and Union streets, between
Spruce and Pine sts., Philadelphia.

Eighteen years of extensive and uninter-
rupted practice spent in this city, have rendered
Dr. K. the most expert and successful practi-
tioner, far and near in the treatment of all dis-
eases of a private nature. Persons afflicted with
ulcers on the body, throat or legs, pains in
the head or bones, mercurial rheumatism, stric-
tures, gravel, diseases arising from youthful ex-
cesses or impurities of the blood, whereby the
constitution has become enfeebled, are all treated
with success.

He who places himself under the care of Dr.
K., may rely upon his honor as a
gentleman, and confidently rely upon his skill
as a physician.

TAKE PARTICULAR NOTICE.
Young men who have injured themselves by
a certain practice indulged in—a habit frequent-
ly learned from evil companions or at school;
the effects of which are night blindness, even when
sleeping, and destroy both mind and body, should
